Fattoria LaVialla, Arezzo

LaVialla is a beautiful organic farm estate about 8km north of Arezzo. You can visit the estate and stroll along its paths in the woods, enjoying the most spectacular views. If the weather is fine (and it usually is!) you can enjoy a delicious lunch of cheeses, homemade bread, salads and salami, all organically produced on the farm with LaVialla wines at incredibly good prices. All the produce is on sale at the "little shop" and accommodation is provided in converted farm buildings.
